a weekly short note from Mike Minear

## Belief is Power

*Leroy Brownlow*

Belief is the secret of man's becoming and being, conquering and prevailing. William James, the great psychologist, stated that the greatest factor in any undertaking is one's belief.

### **Belief is the power to:**

- *Become a son of God.* "but as many as received him, to them gave he power to become the sons of God, even to them that believe on his name" (John 1:13)
- *Be a faithful son of God.* "Take heed, brethren, lest there be in any of you an evil heart of unbelief in departing from the living God" (Hebrews 3:12)
