

Wednesday's Wisdom

a weekly short note from Mike Minear

Why Thansgiving?

Robert Harkrider

Next month our nation will be observing "Thanksgiving." This is not a special religious holiday, but it is a time that should cause all of us to pause and give thanks, not just for our blessings as a nation, but also for the spiritual blessings that Christians share in our Lord. Far too often we are like the nine lepers who were healed by the Lord. We go on our way without taking the time to simply bow before Him, giving thanks. (Luke 17:11-19)
